Due to the tragic event that took the life of the lady from the middle east who lived in El Cajon; Pres Zacovic will be launching a series of forums next month regarding “Diversity is the Difference,” through which all members of our campus community will have the opportunity to learn about and to understand the important positive role that diversity plays in our lives.

We have a new Facilities Operations Committee that is replacing Facilities & Safety committee, Emergency Preparedness committee and College Assembly committee.

At the request of Wendy; the IERC will offer a workshop to staff regarding the EMP (educational master plan). Mike Wrangler, Juliana Barnes and Arleen Satele will be giving the presentation. Dates and times to come.

Steve Gonzales (operations) and Tammi Marshall (math dept) were the recipients of the “Cuyamaca Way Award” last week.
