GROSSMONT-CUYAMACA
COMMUNITY COLLEGE DISTRICT

Year 1: Lighting Fixtures & Controls Update

Project Budget: **$1.7 Million**
Construction Duration: **March 2014 - August 2015**
Funding Source: **Proposition V, Proposition 39, SDG&E**

Scope/Summary:

This project includes the installation of LED lights on the colleges' parking lots, Grossmont College's walkways, and Cuyamaca College's roadways. Also, the 32-watt fluorescent light bulbs were replaced with 25-watt energy-efficient bulbs in a majority of classrooms and buildings on the campuses.

Project Team:

- **Contractor:** Baker Electric
- **Program Manager:** Penny McGrew, Gafcon, Inc.
- **Senior Project Manager:** Don Kramer, Gafcon, Inc.
- **Proposition R & V Program Manager:** Gafcon, Inc.
