

GCCCD COVID-19 INACTIVE ENROLLMENT WITHDRAWAL FORM

Per Title 5, section 58509, colleges may refund fees in emergencies. In this case an "EW" will be placed on the student's transcript. All withdrawals related to COVID-19 will result in an Excused Withdrawal (EW) and a refund issued. An EW will not be counted in progress probation and dismissal calculations. In addition, an EW will not be counted toward the permitted number of withdrawals or counted as an enrollment attempted.

It is my professional opinion that due to the COVID-19 outbreak, this (these) student(s) have been impacted, either directly or indirectly, and should be awarded an excused withdrawal. This attestation is made on the basis of inactive enrollment in my course(s) as of March 16, 2020.
