

Work Experience Objectives

List one (1), two (2) or three (3) new duties or assigned responsibilities you would like to learn at your current jobs/internships:

1. Objective 1 –

What would you like to learn? Change or improve on?

How will you accomplish this and what help, training or resources do you need?

How will you complete this and be evaluated?

2. Objective 2 –

What would you like to learn? Change or improve on?

How will you accomplish this and what help, training or resources do you need?

How will you complete this and be evaluated?

3. Objective 3 –

What would you like to learn? Change or improve on?

How will you accomplish this and what help, training or resources do you need?

How will you complete this and be evaluated?
