The services to help people with injuries or disabilities so not seem very accessible

Please provide suggestions for improving the Grossmont-Cuyamaca College Promise Program.

Add a 2nd year of free tuition!!!
Being more lenient about the amount of credits being taken and leaving room for the need to drop classes.
Bigger font on requirements. Give Cuyamaca offices/counseling more info on it.
Easier onboarding process many were initially rejected due to clerical error. Took half a year to sort it
Expand it for students with a 3.0 GPA or higher.
Explain a bit more in depth about how payment works with the program for example what fees are still requi
gluten free/vegetarian options at future events besides salad
Have people know more about this.
Higher GPA than 2, to motivate students.
Honestly the College Promise was talked about everywhere and applying was easy.
I do see an improvement by possible giving a discount on books.
I feel like it covers everything!
I feel like the program can be a bit more connected to the students.
I would have loved more communication throughout the semester to know my options as a Promise Program stud
I would like it if we served coffee at events.
I would say this program is doing fine, but maybe be more connected.
It was easy to understand.
Less steps.
Make it be for the second year too
Make program more known
Make requirements more clear. Give more info to the school staff on the program.

Make the instructions clearer on what steps to complete.
More means of students to find out
More responsive assistance/answers for those in need.
