

## **BP 4045      Affordable Educational Resources**

Reference:      ***Academic Senates Adopted Guidelines Spring 2009***  
***Associated Students Adopted Guidelines Spring 2009***

Adoption Date:      October 20, 2009

Reviewed: [Board Date]  
June 16, 2015

---

The Governing Board is committed to making educational resources, including textbooks and other course materials, more affordable through a variety of approaches that incorporate student, faculty, and administrative considerations and do not compromise academic freedom or educational quality.

College and District groups, including those listed below, are requested to develop and promote guidelines in support of this policy and report annual progress to the Chancellor.

- Faculty
- Students
- Instructional Aides
- Senior Administration
- Financial Aid/Extended Opportunity Program & Services Offices
- College Bookstores

The Chancellor shall promote this policy and provide annual progress reports to the Governing Board.
