COMMUNITY COLLEGE DISTRICT

Student and Institutional Success Council

Charge: The Student and Institutional Success Council (SISC) serves in an advisory capacity to the Chancellor and as a platform for collaboration, coordination, support, and communication about districtwide efforts to promote equity-minded student success by reviewing, facilitating, and recommending educational and student support initiatives, services, and programs. SISC provides districtwide coordination and leadership through the following objectives:

- Advance a shared vision to the District's student success, equity, and diversity efforts aimed at creating an effective student-focused culture.
- Coordinate pedagogical or technological innovation that enhances academic success.
- Identify and evaluate high impact, scalable practices that support student success and align with the Guided Pathways framework.
- Promote districtwide alignment of curriculum and instructional programming.
- Provide guidance on assigned Board Policies and Administrative Procedures.

Agenda Items	Action and Follow-Up
Welcome	Eric provided welcome to September 2022 SISC meeting
Additions/Deletions to Agenda	None
Board Policies and Administrative Procedures	<p>Prior to October SISC meeting, will request update and share out on the following:</p> <p>BP/AP 2410: Board Policies and Administrative Procedures</p> <p>BP/AP 3050: Institutional Code of Ethics</p> <p>BP 4030: Academic Freedom</p> <p>BP/AP 4110: Honorary Degrees</p> <p>BP/AP 4240: Academic Renewal</p> <p>BP/AP 5070: Attendance Accounting</p> <p>BP/AP 4100: Graduation Requirements for Degrees and Certificates</p> <p>BP/AP 5055: Enrollment Priorities</p>
College Promise Update	<p>Cynthia provided a brief presentation, which included an enrollment and persistence update. Discussion ensued about opportunities to make process easier (and less intimidating) for students, as well as to make it operationally easier internally for staff. Interesting observation and discussion at Guided Pathways Conference. We should re-examine “denial” process to make it more student-centered, student-friendly. Plan is to outline the problems we are trying to solve and work together on solutions so we can make Promise more accessible to our students while also creating more efficient processes. Barbara added that once Financial Aid is integrated with Colleague we will be able to confirm FAFSA completion more accurately.</p>
Positive Attendance Rosters (SIS Upgrade Project)	<p>Presentation on this will take place at October SISC meeting.</p> <p>Interest in revising attendance policy (5070) that will encompass traditional, online, hybrid, positive attendance courses.</p>
SIS Upgrade Status Update	<p>Presentation on this topic at October SISC meeting.</p>
