Reference: ***Title 5 Section 55044***

Date Issued: July 10, 2012

Updated: ~~February 21, 2017~~

The Grossmont-Cuyamaca Community College District (District) Chancellor shall ensure that District students may be permitted to enroll in variable unit open-entry/open-exit courses as many times as necessary to enable them to complete the entire curriculum of the course once.

District students may not repeat variable unit open-entry/open-exit courses unless:

- The course is required for legally mandated training; or
- The course is a special class for students with disabilities which needs to be repeated; or
- Repetition of the course is justified by extenuating circumstances; or
- The student wishes to repeat the course to alleviate substandard work.

A student may not enroll in a variable unit open-entry/open exit active participatory course in physical education, visual arts, or performing arts more than one time.

~~Whenever a District student enrolls in a physical education activity course offered for open-entry/open exit, the enrollment will count as a repetition of the course. When there are several levels of a physical education activity course, students can complete any combination of courses within the activity's family of related courses for a total of four completions regardless of the unit value.~~
