

PUBLIC SAFETY DEPARTMENT PROVIDES ACTIVE THREAT TRAINING

About 60 people at Grossmont and Cuyamaca colleges attended training by Sheriff's Sgt. Erik Munzenmaier on how to be prepared for a variety of threats that can occur both on and off the campuses.

Any group of 20 or more interested in getting training can contact district.parking@gcccd.edu to set up a session.

WELCOME TO OUR NEW EMPLOYEES

David Bier has been hired a network specialist II with the Information Technology department. David previously worked for two years at Cuyamaca College's computer information systems department and as a CISCO lab tutor.

Christian Magbuhat is working as a network specialist II with the Information Technology department. Christian previously worked as a network specialist for the city of Escondido. He has a bachelor's degree from ITT Technical Institute.
