

FUN FRIDAY

The Foundation office hosted the first Fun Friday potluck of the year Feb. 8.

BREAKFAST FOR HIGH SCHOOL COUNSELORS

The East County Education Alliance, a joint program of the college district and the Grossmont Union High School District to help students focus on college and careers, hosted a breakfast for high school counselors Feb. 1 at Grossmont College. The gathering showcased programs and services for students that promote a seamless transition from high school to Grossmont and Cuyamaca colleges. The counselors received information about the Grossmont-

Cuyamaca College Promise, which covers tuition and mandatory fees for any first-time, full-time student. The breakfast also highlighted financial aid, the onboarding process, and transfer opportunities.
