

RESOLUTION NO. 17-004

RESOLUTION OF THE BOARD OF TRUSTEES OF THE  
GROSSMONT-CUYAMACA COMMUNITY COLLEGE  
DISTRICT ORDERING AN ELECTION, AND ESTABLISHING  
SPECIFICATIONS OF THE ELECTION ORDER

WHEREAS, Grossmont College and Cuyamaca College are essential community resources which provide outstanding education and career training to students in East County; and

WHEREAS, Grossmont College and Cuyamaca College are critical partners to the East County economy, as local employers rely on both colleges' specialized training programs to train local workers in technology, aerospace, defense, manufacturing, and other industries; and

WHEREAS, notwithstanding such training programs, East County does not have enough good-paying jobs or opportunities for local residents; and

WHEREAS, the Board of Trustees (the "Board") of the Grossmont-Cuyamaca Community College District (the "District"), has determined that certain educational facilities need to be upgraded constructed, renovated, acquired and equipped, in a fiscally prudent manner, to enable the District to maintain Grossmont College and Cuyamaca College as valuable resources that both provide an affordable education to local students and returning veterans each year who desire to learn job skills or transfer to four-year universities and help stimulate the local economy; and

WHEREAS, the costs of attending California's public universities has risen to at least six times that of attending a community college, and more local students and their families rely on their local community college, such as Grossmont College and Cuyamaca College to save tens of thousands of dollars; and

WHEREAS, in today's competitive job environment, the District must continue providing important training and education for local residents of all ages and veterans entering the workforce for better paying jobs, particularly in business, technology, nursing, early childhood education, public safety, advanced manufacturing, and increase opportunities for local students to earn college credits, certifications and job skills at a reasonable price; and

WHEREAS, Grossmont College and Cuyamaca College have served thousands of military veterans, many of whom have recently returned from war zones and face post-traumatic stress disorder and permanent disabilities and need better access to job training programs and facilities, and need to be trained or retrained as they re-enter the civilian workforce; and

WHEREAS, the State is not providing the District with enough money for the District to improve Grossmont College and Cuyamaca College's educational facilities, academic programs and job training centers; and

WHEREAS, the Board has received information regarding the feasibility of a local bond measure and the District's bonding capacity; and

WHEREAS, a local measure will provide funds that cannot be taken away by the State to support local college transfer and job training; and

WHEREAS, such a local measure will include mandatory taxpayer protections, including an independent citizens' oversight of all funds and mandatory annual financial audits to ensure funds are spent only as authorized; and

WHEREAS, to ensure the timely and economical completion of all or a portion of projects funded with the proceeds of a local measure, following the passage of the measure, the Board intends to negotiate a project labor agreement with various skilled union trade associations; and

WHEREAS, the Board and District has solicited stakeholder and community input on priorities from students, faculty, staff, business and civic leaders, and the community; and

WHEREAS, in the judgment of the Board, a local, financially prudent, bond measure to provide additional funding for East County job training and workforce preparation for students of all ages, veterans and local residents will be a critical economic engine for East County and create thousands of good paying jobs and increase investment in our area; and

WHEREAS, on November 7, 2000, the voters of California approved the Smaller Classes, Safer Schools and Financial Accountability Act ("Proposition 39") which reduced the voter threshold for ad valorem tax levies used to pay for debt service or bonded indebtedness to 55 percent of the votes cast on a community college district general obligation bond; and

WHEREAS, concurrent with the passage of Proposition 39, Chapter 1.5, Part 10, Division 1, Title 1 (commencing with Section 15264) of the Education Code (the "Act") became operative and established requirements associated with the implementation of Proposition 39; and

WHEREAS, the Board desires to make certain findings herein to be applicable to this election order and to establish certain performance audits, standards of financial accountability and citizen oversight which are contained in Proposition 39 and the Act; and

WHEREAS, the Board determines that, in accordance with Opinion No. 04-110 of the Attorney General of the State of California, the restrictions in Proposition 39, which prohibit any bond money to be used for administrator salaries and other operating expenses of the District shall be strictly monitored by the District's Citizens' Oversight Committee; and

WHEREAS, pursuant to Education Code Section 15270, based upon a projection of assessed property valuation, the Board has determined that, if approved by voters, the tax rate levied to meet the debt service requirements of the bonds proposed to be issued will not exceed the Proposition 39 limits per year per \$100,000 of assessed valuation of taxable property; and

WHEREAS, Elections Code Section 9400 *et seq.* requires that a tax rate statement be contained in all official materials, including any ballot pamphlet prepared, sponsored or distributed by the District, relating to the election; and

WHEREAS, the Board now desires to authorize the filing of a tax rate statement and ballot argument in favor of the proposition to be submitted to the voters at the election; and

WHEREAS, pursuant to the Elections Code, it is appropriate for the Board to request consolidation of the election with any and all other elections to be held on November 8, 2016, and to request the San Diego County Registrar of Voters to perform certain election services for the District; and

WHEREAS, in the judgment of the Board, it is advisable to request the San Diego County Registrar of Voters to call an election pursuant to Proposition 39 on the question of whether general obligation bonds shall be issued and sold on behalf of the District for purposes set forth below.

NOW THEREFORE, THE BOARD OF TRUSTEES OF THE GROSSMONT-CUYAMACA COMMUNITY COLLEGE DISTRICT DOES HEREBY RESOLVE, DETERMINE AND ORDER AS FOLLOWS:

Section 1. That the Board, pursuant to Education Code Sections 15100 *et seq.*, Sections 15264 *et seq.* and Government Code Section 53506, hereby requests the San Diego County Registrar of Voters to call an election under the provisions of Proposition 39 and the Act and submit to the electors of the District the question of whether bonds of the District in the aggregate principal amount of \$348,000,000 (the “Bonds”) shall be issued and sold to raise money for the purposes described in Exhibits “A” and “B” hereto. Both exhibits are directed to be printed in the voter sample ballot pamphlet.

Section 2. That the date of the election shall be November 8, 2016.

Section 3. That the purpose of the election shall be for the voters in the District to vote on a proposition, a copy of which is attached hereto and marked Exhibit “A” and incorporated by reference herein, containing the question of whether the District shall issue the Bonds to pay for improvements to the extent permitted by such proposition. In compliance with Proposition 39 and the Act, the ballot proposition in Exhibit “A” is subject to the following requirements and determinations:

(a) the proceeds of the sale of the Bonds shall only be used for the purposes set forth in the ballot measure and not for any other purpose, including faculty and administrator salaries and other college operating expenses;

(b) that the Board, in compliance with Proposition 39, and in establishing the projects set forth in Exhibit “B”, evaluated the needs of returning veterans, safety, university transfer, enrollment trends, class size reduction, class availability, information technology and technical job training facilities of the District;

(c) that the Board will cause to be conducted an annual, independent performance audit to ensure that the Bond moneys get expended for the projects identified in Exhibits “A” and “B” hereto;

(d) that the Board will cause an annual, independent financial audit of the proceeds from the sale of Bonds to be conducted until all of the Bond proceeds have been expended and accounted for;

(e) that the Board will cause the appointment of a Citizens’ Oversight Committee in compliance with Education Code Section 15278 no later than 60 days after the Board enters the election results in its minutes pursuant to Education Code Section 15274. The Citizens’ Oversight Committee shall initially consist of at least seven (7) members and at no time consist of less than seven (7) members, with the possible exception of brief periods to fill any unexpected vacancies. The Citizens’ Oversight Committee may not include any employee or official of the District or any vendor, contractor or consultant of the District. The Citizens’ Oversight Committee shall include all

of the following: One (1) member who is active in a business organization representing the business community located within the District; One (1) member who is active in a senior citizens' organization; One member who is active in the San Diego County Taxpayers Association. In furtherance of its specifically enumerated purposes, the Citizens' Oversight Committee may engage in any of the following activities relating solely and exclusively to the expenditure of the Proposition 39 bond proceeds:

- (i) Receive and review copies of the annual, independent financial and performance audits performed by independent consultant(s);
- (ii) Inspect District facilities and grounds to ensure that Proposition 39 bond revenues are expended in compliance with applicable law;
- (iii) Receive and review copies of all scheduled maintenance proposals or plans developed by the District;
- (iv) Review efforts of the District to maximize Proposition 39 bond revenues by implementing cost-saving programs; and

(f) that the tax levy authorized to secure the bonds of this election shall not exceed the Proposition 39 limits per \$100,000 of taxable property in the District when assessed valuation is projected by the District to increase in accordance with Article XIII A of the California Constitution.

Section 4. That the authority for ordering the election is contained in Education Code Sections 15100 *et seq.*, 15340 *et seq.* and 15264 *et seq.* and Government Code Section 53506.

Section 5. That the authority for the specifications of this election order is contained in Education Code Section 5322.

Section 6. That the San Diego County Registrar of Voters and, the San Diego County Board of Supervisors are hereby requested to consolidate the election ordered hereby with any and all other elections to be held on November 8, 2016 within the District, and pursuant to Elections Code Section 10403, the District acknowledges that the consolidation election will be held and conducted in the manner described in Elections Code Section 10418.

Section 7. That this Resolution shall stand as the "order of election" to the San Diego County Registrar of Voters to call an election within the boundaries of the District on November 8, 2016.

Section 8. That the Secretary of the Board is hereby directed to send a certified copy of this Resolution to the San Diego County Registrar of Voters no later than August 12, 2016.

Section 9. That the bonds shall be issued pursuant to Education Code Section 15300 *et seq.* or issued pursuant to Government Code Section 53506. The maximum rate of interest on any bond shall not exceed the maximum rate allowed by Education Code Sections 15140 to 15143, as modified by Government Code Section 53531. The Board approves the filing of a Tax Rate Statement and primary and rebuttal arguments, as appropriate, and directs their publication in accordance with the requirements of the Elections Code.

Section 10. That the Board requests the governing body of any such other political subdivision, or any officer otherwise authorized by law, to partially or completely consolidate such election and to further provide that the canvass be made by any body or official authorized by law to canvass the returns of the election, and that the Board consents to such consolidation.

Section 11. Pursuant to Education Code Section 5303 and Elections Code Section 10002, the San Diego County Board of Supervisors is requested to permit their Registrar of Voters to render all services specified by Elections Code Section 10418, for which services the District agrees to reimburse San Diego County such services to include the publication of a Formal Notice of School Bond Election and the mailing of the sample ballot and tax rate statement (described in Section 9401 of the Elections Code) pursuant to the terms of Education Code Section 5363 and Elections Code Section 12112.

ADOPTED, SIGNED AND APPROVED this 19<sup>th</sup> day of July, 2016.

**PROJECTS**

The Board of Trustees of the Grossmont-Cuyamaca Community College District, to be responsive to the needs of its community, evaluated each of Grossmont College’s and Cuyamaca College’s urgent and critical facility needs, and its capacity to provide students, and returning **Veterans** with **support** and **job training** facilities, and an **affordable education** to prepare them for success in **college** and **good-paying jobs**. Veteran’s support, and the **importance of programs to meet the workforce needs of our area**, along with safety issues, **job training** facilities, class size and offerings, and information and computer technology were each considered in developing the scope of projects to be funded. In developing the scope of projects, **job training** facilities and programs to meet the workforce needs of our area, facilities **supporting** programs and educational resources for **Veterans**, and the expansion of opportunities for local students to receive an **affordable**, quality **education**, were **prioritized**. If these facility needs are not addressed now, neither Grossmont College or Cuyamaca College would be able to remain competitive in preparing students for jobs in high demand industries and **university transfer**. The Board of Trustees determines that **Grossmont College and Cuyamaca College MUST:**

- (i) **Expand programs to meet the workforce needs of East County, particularly in computer science and technology;**
- (ii) **Improve support programs and educational resources for Veterans;**
- (iii) **Better prepare students and workers for good-paying jobs;**
- (iv) **Partner with local businesses to increase job opportunities in technology, aerospace, defense, manufacturing, math, science, healthcare and other jobs;**
- (v) **Ensure that all money raised by this measure will stay in East County to support local students, and cannot be taken away by the State or used for other purposes;**

- (vi) **Adhere to stringent fiscal accountability safeguards including:**
- (a) **All expenditures will be subject to annual independent financial audits;**
  - (b) **No funds will be used for administrators' salaries and pensions.**

The following types of projects are authorized to be undertaken at each of the District's locations:

**PROVIDE JOB TRAINING AND VETERAN SUPPORT:**  
**Facility Improvements**  
**To Support Economic Development in East San Diego County**

**Goals and Purposes:** Grossmont College and Cuyamaca College provide essential job training for students of all ages, veterans, and local residents. This measure will build new, state-of-the-art classrooms and labs, expanding access to training programs, that help students learn new skills and find better paying jobs in business, technology, nursing, early childhood education, public safety, advanced manufacturing and other high-demand careers.

The Chamber of Commerce and leading economists believe this measure, and the public-private partnership it will create between our community college and local businesses, will be a critical economic engine for our area, including creating thousands of good-paying jobs and increasing investment in our area.

- Expand and improve facilities which provide job training and support services to military veterans and their families.
- Upgrade classrooms, science labs and technology classrooms to better prepare students to transfer to four-year colleges and universities.
- **Build a career and job training campus focused on preparing students, Veterans, and workers for technology, aerospace, defense, manufacturing, engineering and other jobs.**
- Upgrade and construct vocational and job training classrooms.
- Upgrade classroom technology.
- Upgrade facilities to increase programs to meet the workforce needs of East County.

**PROVIDE AN AFFORDABLE EDUCATION  
FOR LOCAL RESIDENTS AND VETERANS**

**Goals and Purposes:** The cost to attend the California public universities has risen to at least six times that of attending a community college, therefore, more local students and their families rely on Grossmont College and Cuyamaca College to start their education and save tens of thousands of dollars. Additional funds are needed to ensure local students have the

opportunity to earn collect credits and certifications, learn job skills at a reasonable price, and transfer to four-year universities.

Grossmont and Cuyamaca Community Colleges and their higher education centers have served thousands of military veterans, many of who have recently returned from war zones and face challenges including post-traumatic stress disorder and permanent disability. This measure will upgrade and expand veteran services and job training so returning Service Members receive the support they need to complete their education and enter the civilian workforce.

- Replace deteriorating gas, electrical and sewer lines.
- Improve water conservation.
- Improve facilities for healthcare, nursing and dental programs.
- Update classrooms and labs for science, technology, engineering and math-related fields.
- Remove asbestos and lead paint from classrooms and facilities.

### **FISCAL ACCOUNTABILITY**

This bond measure has strict accountability requirements including:

1. All money will benefit Grossmont College and Cuyamaca College campus and **CANNOT BE TAKEN BY THE STATE.**
2. **NO MONEY** can be used for **ADMINISTRATOR SALARIES** or pensions.
3. Require **CITIZENS' OVERSIGHT** and yearly audits to ensure all funds are used locally, effectively and as promised.
4. **NO ADMINISTRATOR SALARIES.** Proceeds from the sale of the bonds authorized by this proposition shall be used only for the acquisition, construction, reconstruction, rehabilitation, or replacement of school facilities, including the furnishing and equipping of school facilities, and not for any other purpose, including teacher, faculty and college administrator salaries, pensions and other operating expenses.
5. **FISCAL ACCOUNTABILITY. THE EXPENDITURE OF BOND MONEY ON THESE PROJECTS IS SUBJECT TO STRINGENT FINANCIAL ACCOUNTABILITY REQUIREMENTS. BY LAW, PERFORMANCE AND FINANCIAL AUDITS WILL BE PERFORMED ANNUALLY, AND ALL BOND EXPENDITURES WILL BE MONITORED BY AN INDEPENDENT CITIZENS' OVERSIGHT COMMITTEE TO ENSURE THAT FUNDS ARE SPENT AS PROMISED AND SPECIFIED. THE CITIZENS' OVERSIGHT COMMITTEE MUST INCLUDE, AMONG OTHERS, REPRESENTATION OF A BONA FIDE TAXPAYERS ASSOCIATION, A BUSINESS ORGANIZATION AND A SENIOR CITIZENS ORGANIZATION. NO DISTRICT EMPLOYEES OR VENDORS ARE ALLOWED TO SERVE ON THE CITIZENS' OVERSIGHT COMMITTEE.**

The listed projects will be completed as needed. Each project is assumed to include its share of furniture, equipment, architectural, engineering, and similar planning costs, program/project management, staff training expenses, a customary contingency, and costs associated with the Total Cost of Ownership of facilities and equipment. In addition to the listed projects stated above, authorized projects also include the acquisition of a variety of instructional, maintenance and operational equipment, including interim funding incurred to advance fund projects from payment of the costs of preparation of all facility planning, fiscal reporting, facility studies, assessment reviews, facility master plan preparation and updates, environmental studies (including environmental investigation, remediation and monitoring), design and construction documentation, and temporary housing of dislocated college activities caused by construction projects. In addition to the projects listed above, repair, renovation and construction projects may include, but not be limited to, some or all of the following: renovation of student and staff restrooms; replace aging electrical and plumbing systems; repair and replacement of heating, ventilation and air conditioning systems; acquire vehicles; upgrade of facilities for energy efficiencies, including photovoltaic/solar installations; repair and replacement of worn-out and leaky roofs, windows, walls doors and drinking fountains; replace or remove outdated buildings and classrooms and construction of new classrooms and support buildings; installation of wiring and electrical systems to safely accommodate computers, technology and other electrical devices and needs; upgrade facilities to meet earthquake safety standards, current environmental sustainability and State compliance standards; repair and replacement of fire alarms, intrusion alarms, emergency communications and security systems; upgrading, resurfacing, replacing or relocating of hard courts, fields, turf and irrigation systems; install sod or artificial turf on athletic fields; upgrade classrooms; build or upgrade facilities; construct, expand or reconfigure facilities to create large lecture classrooms; construct parking lots or structures, upgrade, resurfacing and reconditioning existing parking lots; improve vehicular access and traffic circulation; improve pathways, such as sidewalks, pedestrian crossings; improve drop-off zones; repair, upgrade and install interior and exterior lighting systems; replace water lines and valves, gas and sewer lines and other plumbing systems; construct, upgrade, acquire or expand multi-use classrooms and labs, business and computer technology center, child development centers, classrooms and labs, buildings or labs for environmental sciences, outdoor learning, institutional technology, general education, performing arts facilities, physical education/aquatic facilities, gym, locker rooms, courts and court/field lighting, track replacement, support buildings, instructional buildings, athletic fields, dugouts, stadium seating and lighting, improve water conservation and energy efficiency; acquire land; replace or upgrade outdated security and safety systems; replace existing window systems with energy-efficient systems to reduce costs; improve insulation, weatherproofing and roofs to reduce costs; improve access for the disabled; install and repair fire safety equipment, including alarms, smoke detectors, sprinklers, emergency lighting, and fire safety doors; replace broken concrete walks, deteriorated asphalt; replace/upgrade existing signage, bells and clocks; demolition of unsafe facilities; install new security systems, such as security (surveillance) cameras, burglar alarms, handrails, outdoor lighting, fencing, gates and classroom door locks; create outdoor study and gathering spaces; interior and exterior painting, wall and floor covering replacement; improve drainage systems to prevent flooding; upgrade roadway and pedestrian paths for improved safety and access for emergency vehicles, site parking, utilities and grounds. The project list also includes the refinancing of outstanding lease obligations. The upgrading of technology infrastructure includes, but is not limited to, build a data center, upgrade classroom technology, expand wireless internet access, acquire portable interface devices, computers, servers, switches, routers, modules, sound projection systems, information systems, printers, digital white boards, upgrade voice-over-IP, communication systems, audio/visual and telecommunications systems, call manager and network security/firewall, Internet connectivity, wireless systems,

technology infrastructure, and other miscellaneous IT and instructional equipment, DATA storage, fiber/copper infrastructure, phones, identity access cards and the creation.

The allocation of bond proceeds may be affected by the final costs of each project. Some projects may be undertaken as joint use projects in cooperation with other local public or non-profit agencies. The budget for each project is an estimate and may be affected by factors beyond the District's control. The final cost of each project will be determined as plans and construction documents are finalized, construction bids are received, construction contracts are awarded and projects are completed. Based on the final costs of each project, certain of the projects described above may be delayed or may not be completed. Demolition of existing facilities and reconstruction of facilities scheduled for repair and upgrade may occur, if the Board determines that such an approach would be more cost-effective in creating more enhanced and operationally efficient campuses. Necessary site preparation/restoration may occur in connection with new construction, renovation or remodeling, or installation or removal of relocatable classrooms, including ingress and egress, removing, replacing, or installing irrigation, utility lines, trees and landscaping, relocating fire access roads, and acquiring any necessary easements, licenses, or rights of way to the property.

Bond proceeds shall only be expended for the specific purposes identified herein. The District shall create an account into which proceeds of the bonds shall be deposited and comply with the reporting requirements of Government Code § 53410.
