- [Parking FAQ's](#)

As part of the effort to keep GCCCD safe, the Public Safety Department oversees a voluntary Building Marshal Program. Marshals assist with evacuation in the event of an emergency. Marshals wear bright yellow vests and carry whistles to guide staff, students, faculty and visitors to the nearest emergency exit and evacuation points. We are always in need of volunteers! Are you willing to volunteer for this very important position? If so please email District.Parking@gcccd.edu for more information.

Reminder!

As of January 1, 2017, all vehicles displaying a California disabled placard and all motorcycles are required to obtain a parking permit. Permits are available *NOW!* Beat the semester rush and get yours today.

Call CAPS for more info at x7654 or [visit webpage](#).

To find more information about [Building Marshals](#) visit our [webpage](#).

[A list of Building Marshals may be found here.](#)

CAPS recently completed classroom inspections over the holiday break. Phones were inspected, emergency information was replaced and security checks were completed.
