Citadel specializes in understanding and managing the EHS&S risks and opportunities inherent in man-made environments. From buildings and infrastructure to industrial facilities, we help protect both the environment and the people who occupy these spaces. What sets Citadel apart is not just our technical expertise, but how we apply it- in an integrated and collaborative fashion. Our practice leaders don't operate in silos. Instead, they work closely across disciplines to ensure seamless, high-performing solutions that draw from deep subject matter expertise in every area of EHS&S. We don't just claim to do everything- we deliver each service area with excellence, and in alignment with our 22 Core Values and Principles, which

California Waters Development, Inc.	California Waters		leads@californiawaters.com	23311 E. La Palma Ave.	Yorba Linda	California	Leanne Harvey	949-528-0900			65000 - Park, Playground, Recreational Area And Swimming Pool Equipment And Supplies, 91233 - Construction, Swimming Pool	has been bringing water to life for our clients and end users. We are industry-leading artisans who specialize in the design, engineering and construction of commercial pools and aquatics, water features, and waterscapes. Using innovative techniques and our deep experience, we identify ways to value engineer the design, increase construction efficiencies, adhere to budgets, accelerate schedules and eliminate surprises. Water has a mind of its own and that unpredictable nature can impact your schedule, your budget and can even bring construction to a screeching halt. Taking advantage of our "in-the-trenches" experience both building and maintaining commercial pools in addition to designing them, we focus on addressing the unique challenges of working with water during the design phase. Our in-house design/engineering department expertise is often critical to moving projects smoothly from paper to production. This positions you to

Soldaguard Green Solutions			angie@soldaguardgs.com	8716 Sherwood Terrace Suite C	San Diego	California	Angie Lasagna	619-244-4688	NONE		03100 - Air Conditioning, Heating, And Ventilating Equipment, Parts And Accessories, 91004 - Air Duct Cleaning Services, 05500 - Automotive Accessories For Automobiles, Buses, Trailers, Trucks, Etc.	There is a new product available to kill 99.9% of the COVID and Flu virus. The Soldaguard Green Solutions product is an all natural organic product made with essential oils. Created by a military vet and his wife an ICU nurse just by accident. It is FDA and GSA approved as well as made in the USA. Soldaguard GS is a created to be entered into the air duct or vents with a dry fogging machine which will then be an air born product killing mold & mildew bacteria, COVID/Influenza virus, cigarette, food and dog odors. The product lasts in the air for up to 30 days. What makes this product unique and different from other products on the market claiming to be effective- is that Soldaguard GS is made from natural essential oils and is a dry fogging mist. The other products use bleach, chlorine dioxide or are water based.

Our people carry the skills and knowledge to provide the best results in construction, and we do it by putting our hands and feet to work and managing the process in its entirety. We work smart by using the technology we see fit for each task to make us more productive, and if the technology doesn't fit, we create the mold ourselves and carry out our mission. As a culture, it is within our "Builders to the Core" mindset to model this ever-changing industry as a team to successfully open the doors to our client's vision.
