

## Industry Leaders Meet to Discuss the Future of Manufacturing in San Diego County

On July 1st, the Small Business Deputy Sector Navigator participated in the San Diego Economic Development Council's Manufacturing Executive Roundtable. Over 100 professionals from several industries with County Supervisor Dave Roberts opened the event, and Reo Carr, Editor SDBJ

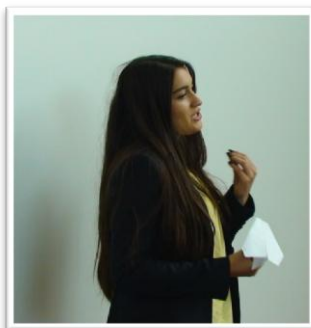

## OPERATION ENTREPRENEURSHIP A SUCCESS

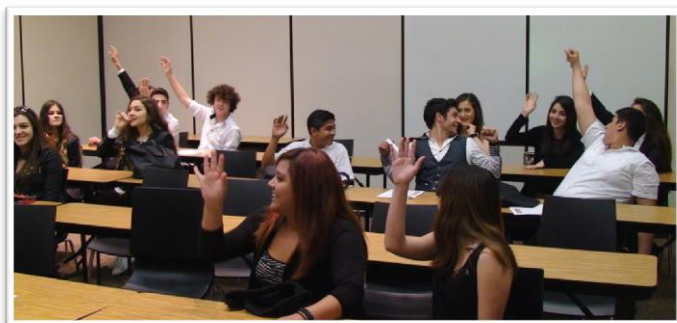

On April 25 and 26, MiraCosta College and Palomar College hosted a two day entrepreneurship workshop for student veterans in the North County area. Over 25 veterans, ready to pursue their next dream, attended the event. For two days they brainstormed problems that need solutions and how to turn those solutions into a business that could be started with a bootstrap budget. "Operation Entrepreneurship focuses on putting ideas into action!"

## High School Students Turkey Pitch Event

On May 5<sup>th</sup> international high school students from Turkey toured San Diegan businesses and were able to pitch their own business ideas. The event was organized by the Deputy Sector Navigator for Small Business in San Diego and Imperial Counties in partnership with Junior Achievement of San Diego County and the Teen MBA program in Turkey to create a strong impression and understanding of Business Education in California. t-MBA is a program educating high school student in Turkey on social entrepreneurship, international business and business leadership.

## Business Leadership School Students from Vista and Turkey Together

On May 6<sup>th</sup> local high school CTE students met to learn from industry leaders what it takes to become a future.
